

## Friends of Florence County Library Membership Form

The mission of the Friends of Florence County Library is to enhance the Florence County Library System by raising private funds to supplement public funding in order to provide books, E and Audio books, materials, art and programs.

The Friends provide an annual \$20,000 grant to support library acquisitions, programs and services. These programs include the Summer Reading program for children and teens, our digital e-book and audiobook services, as well as providing needed material to support children, teen, and adult programs. We also support discussion groups, author visits and information events.
